

MARINE SYSTEMS RIGGER / BOAT OUTFITTER

Deadline: Open until filled

Katanacraft is now accepting applications for an experienced Marine Systems Rigger/Boat Outfitter to join our exceptional manufacturing team in Grants Pass, Oregon.

Job type: Full Time

Work Hours: 6:00am - 4:30pm Monday - Thursday

Overtime: Mandatory overtime may be required on an as-needed basis to meet production goals

Benefits Package: Competitive starting wages, 401k, Health Plan, Vacation and Holiday Pay.

General Description: Assist all departments with electrical, mechanical and plumbing installation to produce the highest quality Katanacraft aluminum vessels. This includes, but is not limited to installation of electrical systems, outboard engines, inboard engines and components such as cables, wiring, fuel systems, radios, GPS, lights, steering systems, carpet and windows.

Required Education: High School or Equivalent Valid Driver's License

Responsibilities:

Maintain a high standard of quality and accuracy in all aspects of vessel production

Use of proper safety equipment

Maintain a clean and safe working environment

Maintain a productive and positive work environment

Maintain above average attendance

Maintain a positive and proactive communication relationship with teammates and supervisors

Ability to understand and follow oral and written instructions

Ability to work both independently and with regular instruction and checkpoints to ensure quality control

Physical Skills:

Must be able to lift, carry and push articles weighing up to minimum of 50 lbs.

Must be able to work in confined areas of the vessel for applicable job duties such as wiring and installing components

Solid working knowledge of methods used in marine rigging

Ability to interpret work from drawings, diagrams and installation procedures

Experienced use of all shop tools - including electric, air and hand equipment within the department

Strong working knowledge of measurements and mathematical skills

Preferred Certifications:

Marine trade knowledge preferred (ABYC Certification a plus)

1yr General mechanical knowledge, outboard motors, marine electronics and electrical systems

Forklift Certification
